**Re: Davenport v. County of Nassau 2:19-cv-05097-FB-SMG**

Hon. Judge Mann:

We represent the Plaintiff, Russell Davenport, in the above-referenced action. Please keep the case open as the County is still checking whether or not Mr. Davenport's pistol license application has been approved. The County has confirmed that the firearms confiscated from Mr. Davenport have not been destroyed. We hope to contact you by tomorrow with a status on the settlement, as my client is requiring to have his firearms and license returned to him as part of any settlement as you may recall from our last conference.

Respectfully submitted,
